ART TO THE THRONE TO THEIR MAJESTIES THE KING & QUEEN AND TO H.R.H. THE PRINCE OF WALES

Native Street in Mouski District. One of the chief centres of interest to travellers and though not quite so picturesque as of old, it is as noisy as ever. The shrieking of drivers, the cracking of whips, the cries of the vendors of various goods, the rattle or tinkle of two brass cups or of glasses by the purveyors of cool drinks, with the braying of donkeys, make such a din as the Arabs seem to love. Here are colour and variety to delight the artist who will revel in the oriental picturesqueness of the scene.
